WORK EXPERIENCE

Aug 2024 - Sep 2024   Software Developer Trainee
Webskitters

- Acquired practical experience in web development frameworks such as Laravel (PHP) and WordPress.
- Mastered the fundamentals of backend development, routing, and database integration in Laravel.
- Executed tasks related to customizing and maintaining WordPress themes and plugins.

Projects

7 Days   **Portfolio**

Personal Basic Portfolio website
Tools: HTML, CSS, Bootstrap, jQuery
Designed and developed a fully responsive personal portfolio website to showcase skills and contact information. Used Bootstrap for layout and jQuery for interactive UI elements like smooth scrolling and animated components.

15 Days   **Travel and Hotel Booking Website**

Tools: HTML, CSS, Bootstrap, JavaScript
Built a visually appealing, multi-page travel and hotel booking interface. Integrated features like responsive navigation, gallery sections, and booking form using JavaScript

- Hindi

and Bootstrap for a smooth user experience.

20 Days ○ **CRUD APPLICATION**

Tools: PHP, MySQL, HTML, CSS
Developed a full-featured CRUD (Create, Read, Update, Delete) web application with image upload capability
using PHP and PDO for secure database interactions. The system allows users to manage records efficiently
and securely with real-time database operations.

COURSES & CERTIFICATIONS

○ Introduction To programming in C (Valid upto 2017)
